

Vette City Motorcycle Music Fest

Vendor Power Needs

Fill out and return with Vendor Application

Vendor Name: _____

Vendor Contact: _____ Phone # _____

General Merchandise Vendors

- I do not need power in my booth
- One duplex receptacle is all I need
- I need more than a duplex receptacle. I need _____

Food Vendors

- I will be using my own generator for my power needs
- I will need several individual outlets in which to plug my appliances and equipment. My total power requirements are _____ amps.
I will need a total of _____ 110 volt outlets
I will need a total of _____ 220 volt outlets
- I have a self contained truck/trailer with a single _____ amp plug. **I have attached a photo of the plug/cord cap illustrating the blade configuration.**
 - In addition to my single point plug in for my truck/trailer:
I will need a total of _____ 110 volt outlets
I will need a total of _____ 220 volt outlets
For a total of _____ additional amps in service.

Here is a list of the appliances and equipment I will be running on VCMMF generator power.
